

Travel and Reimbursement Policy

Domestic Travel

Employees traveling domestically for business purposes are entitled to a daily allowance of INR 1800 for meals and incidentals. Hotel bookings above INR 6000 per night require manager pre-approval.

International Travel

International travel requires VP-level approval at least 2 weeks in advance. The standard daily allowance for international trips is USD 60, covering meals and local transport. Flights must be booked through the approved corporate travel portal.

Expense Submission

All expenses must be submitted within 15 days of travel completion via the Expense Portal. Original receipts are required for any single expense over INR 500. Expenses submitted late may be rejected at the discretion of Finance.

Approval Limits

Managers can approve expenses up to INR 25000 per trip. Anything above this amount requires Finance Director approval regardless of department.
